Pastor's Lines

Dear Church Family,

I came home Tuesday from Austin. I was driving Mrs. Jo's van (that has a bunch of miles on it). I stopped for gas at a random Buckee's. When I got my gas and proceeded to start the van...click...click. The van was showing weakness, but I was hoping to get home before I did anything to the battery. Well, it looked like my luck had run out somewhere in rural Texas.

I didn't panic, because after all, I was at Buckee's. It seems that Buckee's has thought of everything that might be needed at a gas station. I thought, the management has jumper cables. They will come rushing out to my vehicle and start me right up. So, with great confidence, I went into the station to ask for those cables. ("I just needed a little power".)

When I asked the clerk for cables, he hesitated and stumbled...apparently, Buckee's had NOT thought of everything. At that point I began to panic again. Then, in a moment of revelation, the clerk said go ask that CTC truck driver. I thought, what is CTC? And then, as I headed to his truck, I realized that CTC was a roadside assistance service truck. He was parked right next to me, and I had NO idea what CTC was. So, I waited for the driver to return to his truck.

As he got in his truck, I sheepishly asked, "You got jumper cables?" He said, "Got a jump box!" and he proceeded to look behind his seat. He brought out this contraption with jumper cables and a battery pack. It looked impressive. (I wanted one!!) He came over to my van and in about 2 seconds, he gave me the power to start my van. A quick handshake, and off we went!!!

I thought about that event in Buckee's parking lot, and began to realize that we do the same things with the power of God in our spiritual lives. We let our spiritual battery run down and the panic. We look this way, and that way, and often the POWER is right beside us. From time to time we need to be plugged into the "Jump Box" of God. His Word, His Worship, His Witness... I hope today, you are plugged into the jump box, as you are here in church. VROOM!!!

Blessings,
Dr. j

I want to say thank you on behalf of my wife and family for the tremendous show of support during the time of loss and memorial for Jo's dad, Abe Conner. You have been such a tremendous support for us. THANK YOU!

A Place Called Heaven

Kurt and Tina Goebel will be started a new study Today. All are invited to join the class for this 6 week study: *A Place Called Heaven* by Robert Jeffers. Books are \$6.50.

If any of us learned we were going to move to a foreign country, we'd do everything we could to learn about that place so that we'd be prepared when moving day arrived. As Christians, we know someday we will leave our familiar country and be united with God in heaven. And yet many of us know very little about this place called heaven. In this Bible study, explore several surprising truths about heaven and reveal whom we see there and what we will do. This study will give believers a clearer picture of the divine place Jesus has prepared for us. And it will encourage us to make heaven a greater priority in our hearts and minds so that we are better prepared for it.

Mission Committee will meet on Wednesday,
