Pastor's Lines

Dear Church Family,

Today is Father's Day! It's a time when dad gets a new drill or a saw. It is a time when dad gets a color page from their child. It is a time today to honor fathers. Today is also a time to pray for and appreciate Godly fathers who lead their families to love and serve the Lord. Thank you dad for being a good example to your family.

Today is also the kickoff to Vacation Bible School. Actually, the festivities started Thursday with the pool party. And if the pool party is any indication, Vacation Bible School is going to be great this year. The pool party was great fun, and the preparation for Vacation Bible School has begun. Strains of "How are you gonna decorate your room?", "Does anybody have any bottle tops?" "Where is my teacher literature?" "When is rec?" have been echoing through the halls. Registration is up, and the weather is supposed to be good. God is going to use our efforts in Vacation Bible School to teach the Bible and lead many children to faith in Christ. The church is open this afternoon to transform classrooms into "Wild" Rooms. Come join the fun!!!

Also, Derrick did something that surprised me two weeks ago. He put our church service on Facebook Live. We had talked about it, but Derrick did a test to see how it might serve the church and community. And after two weeks, I am hooked. We have had hundreds of views. People have viewed church while on vacation. And the messages are getting out to a larger audience. So, we are going to keep doing it. If you are Facebook Friends with First Baptist Church, you will see the sermon live at 10:30am on Sunday, and it will be available 24/7 after that. We are thinking of setting up a Facebook Room for moms of infants (if needed) and we will continue to use the tool to enhance our ministry as a church. You can grow the audience by sharing the site, and encouraging friends and family members to listen in!! Thanks, Derrick!

Also, we had a lively discussion at business meeting concerning the replacement of our organ. Our organ was "fried" by an electrical event and the insurance company is ready to replace our organ. Our ad hoc committee has researched the decision and they have made a good recommendation to our church. Please see the flyer in your bulletin for details. If you have any questions, you can ask a committee member. We will vote to purchase the organ (no cost to the church) next Sunday. Thanks to everyone who has participated!!

Blessings, Dr. j

**Re Group Conference August 17
Trinity Baptist Church, Lake Charles**

This is an excellent opportunity I want us to attend. The LBC has assembled an amazing team for a regional meeting. You and I will have the chance to meet David Apple, Allan Taylor and David Odom. These are top shelf guys when it comes to leading groups whether it's Sunday School or Discipleship.

Last year John Sandiferd attended with me. "I'm really glad I went, it helped me in ways I had not considered." I would like us all to experience this and get the affirmation as teachers at the start of another year in Bible Study.
