## Pastor's Lines

Dear Church Family,  
 Vacations are hard work. Whew!! When you start thinking of preparing the house to leave, securing your pets, bringing everything you might need, setting money aside (usually vacations are too expensive), starting the trip, getting stuck in traffic, setting up camp in a mosquito convention, boat having trouble, sleeping in a different bed....one wonders, "is it worth it?"

But, once day 1 is done, and the stress of preparation fades, and the family starts arriving, and you see dolphins, and the boat is fixed, and mosquito spray is purchased, and the grandbaby arrives, you realize it is so worth it, and so necessary.

We are enjoying a few days in Surfside, Texas. We look forward to seeing you all soon!

Blessings, Dr. j

### Church Leaders and Teachers Save the Date!!

**Re Group Conference August 17**  
**Trinity Baptist Church, Lake Charles**

**This is an excellent opportunity I want us to attend. The LBC has assembled an amazing team for a regional meeting. You and I will have the chance to meet David Apple, Allan Taylor and David Odom. These are top shelf guys when it comes to leading groups whether it's Sunday School or Discipleship.**

**Last year John Sandiferd attended with me. "I'm really glad I went, it helped me in ways I had not considered." I would like us all to experience this and get the affirmation as teachers at the start of another year in Bible Study.**
