Pastor's Lines

Dear Church,

I've been watching our Lady Dogs play in the playoffs this past week. As I write this, they are 2-0 and will be playing in the quarterfinals today. Win or lose, they have accomplished a lot this season. Win or lose, they have created memories that they will remember for the rest of their lives, but I'm sure if you ask them, losing is not part of the plan. Winning is the goal and they have worked extremely hard to set themselves up for victory.

Many of us want to win in life. We want to win, but do we put in the work? Imagine not practicing or watching game film then showing up to a game and expecting great results. It would be unreasonable to have high expectations with low commitment. Honestly, that is the reality of most of our lives. We want to win but we are not committed to working for it.

Why aren't we committed to going for the win? For most, the answer is doubt. If you doubt your purpose, doubt your abilities, doubt your resources, and just struggle with doubt about everything, be encouraged that you can draw the strength needed to win through Christ. We win in life not because of who we are but who Christ is in us. We need to trust in Him and do what He has commanded us to do. Get to work!

I can do all things through Christ who strengthens me.

-Philippians 4:13

Blessings,
Pastor Eric
