WHO IS
ANNIE?

Born in Baltimore, Maryland, at a time when there was little opportunity for women, Annie Armstrong was an unstoppable force for missions. She organized women to pray, give and meet the needs around them. She challenged pastors and churches to action and rallied vital support for missionaries.

An estimated 281+ million people in North America live without gospel hope. Some of them live in communities where there is no gospel-preaching church. Others reside where the only church is about to shut its doors for good. Some of them have no access to the gospel in their language. They will walk through this life without the love and hope of Christ and spend eternity in hell if we don't prioritize sharing the Good News with them. Your church's generosity through AAEO is the financial fuel for missionaries as they share the life-changing love of Jesus through church planting and compassion ministry.
