This year marks the 10th year that we have been supporting Pastor Ramon as a church planter! He has been faithfully sharing the gospel to the people on Yerrcaud Mountain in India. He continues to work tirelessly to reach the people of the area.

Pastor Ramon's daughter is finishing her schooling and would like to further her education at a technical school. We would love to bless this family with money to be able to afford this education!

This morning we will take up an offering at the end of the service to go toward this cause. Please come prepared to give to the offering!
